

Comfort Safety Products

HEALTHCARE AND SAFETY

Comfort Safety Products, Inc. is a leader in the supply of high-quality Healthcare and Safety Disposables. Our objective is to help workers in the healthcare and safety industries reduce the risk of exposure to splashing blood, body fluids, chemicals and/ or other dangerous or potentially infectious material.

ComfortShield™ includes a full range of disposable protective apparel to cover you from head to toe and to meet your specific job requirements. Our line also includes other infection control and safety disposables such as disinfectants, razors, tongue depressors, etc.

In addition we also offer custom product design, kit packaging and contract assembly services.

With distribution points in the US and Europe, we can get you the product you need when you need it. Give us a call or send us an email and let us help you to meet all of your disposable protective apparel needs.

SPECIFICATIONS

13.5 inches wide
7.5 inches long

Conforms to:
Directive 86/686/EEC

COMFORTSHIELD™ FULL FACE SHIELD CE

Our premier shield in our line of facial barrier protection products. It offers excellent disposable protection where there is a risk of exposure to splashing blood, body fluids, chemicals and/or other potentially infectious or harmful materials. The shield is anti-fog coated on both sides and is virtually impermeable to the liquid phase of most chemicals and reagents and also resists diluted mineral acids and alkalis.

ORDER #: 1017

24 PER BOX / 4 BOXES PER CASE

SPECIFICATIONS

12.8 inches wide
8.65 inches long

Conforms to:
Directive 86/686/EEC

FACE SHIELD WITH WIDE BAND CE

The Comfort Band Face Shield is designed for total facial splash protection. The 7mil shield is very lightweight and can be worn comfortably for long periods of time. Double sided anti-fog treatment virtually eliminates fogging and the shield is optically clear with full peripheral vision.

ORDER #: 1017CS

25 PER BOX / 4 BOXES PER CASE

SPECIFICATIONS

13.5 inches wide
10.5 inches long

Conforms to:
Directive 86/686/EEC

COMFORTSHIELD™ EXTENDED SHIELD CE

Offers added disposable protection where there is a risk of exposure to splashing blood, body fluids, chemicals and/or other potentially infectious or harmful materials. Has an extended length of 10.5 inches for maximum protection.

ORDER #: 1017LS

100 PER CASE

SPECIFICATIONS

Conforms to:
Directive 86/686/EEC

DOES NOT Conform
to ANSI Z87.1-2003
Standard

COMFORTSHIELD™ DISPOSABLE EYEWEAR CE

An economical solution for ocular protection from potential exposure to splashing blood, body fluids, chemicals and/ other potentially infectious or hazardous materials. Disposable lenses are optically clear, anti-static and anti-fog coated on both sides. Frames are re-usable with a wraparound design for a more secure fit. Frame also has a protective fluid ridge to increase protection from top-down splashes.

ORDER #: 1100AC

10 PER BAG / 10 BAGS PER CASE

SPECIFICATIONS

99% UV Protection

Conforms to:
ANSI Z87.1-2003

COMFORTSHIELD™ SAFETY GLASSES CE

Visitor Safety Glasses have an optically clear scratch resistant lens with side shields and offer eye protection for visitors where semi-hazardous conditions may be encountered. Can be worn over most prescription glasses.

ORDER #: 1300

12 PER CASE

SPECIFICATIONS

99% UV Protection

Conforms to:

FLEXIBLE THUMB TOOTHBRUSH

High-quality security toothbrush, designed to inhibit the construction of shanks. Our product is made of the best materials, optimally end rounded, and designed to last as long as nationally branded toothbrushes. Inmate resistance to the smaller toothbrush will be reduced by our dedication to quality materials and sophisticated production methods

ORDER #: 8231GR
ORDER #: 8233UF - ULTRA FLEX

72 PER BOX / 10 BOXES PER CASE

FLEXIBLE FULL HANDLE TOOTHBRUSH

To inhibit use as a weapon in security settings, the handles are not only flexible and bend without breaking, but are also end rounded. White handles help prevent gang associations. Brushes have 41-tuft full-size heads with superior tuft retention which prevents bristles from falling out. Brushes are individually cello-wrapped.
