## ZT85 Entry Tool

Made from Heat Treated Alloy Steel with a Powder Coat Finish.

Available sizes:

- ZT85-30 30" - 9 lbs.
- ZT85-36 36" - 11 lbs.

## ZT66 Tactical Fence Climber Kit

This product was developed to provide safety personnel the ability to accomplish safe ingress and egress of perimeters contained by chain link fencing. The climbing steps can be easily and rapidly deployed and require no special training. Most fences can be scaled with a standard three piece set which comes stored in a fabric pouch. The entire kit weighs approximately five pounds and fits conveniently inside a typical field equipment bag.

## ZT75 One-Man Door Ram - 21" - 26.5 lbs
